Cr. No. 04-10053 RCL

GOVERNMENT'S MOTION TO UNSEAL

The United States hereby moves to unseal the indictment in the above captioned matter. In support of this motion, the government states that the indictment was sealed, at the government's request, on February 19, 2004, so that no public disclosure of the filing of the indictment would impede attempts to arrest the defendants. Since the defendants have now been arrested, the government asks that the indictment be unsealed.

Respectfully submitted,

MICHAEL J. SULLIVAN

United States Attorney
